

AORANGI PARK FOOTBALL GROUNDS

Aorangi Football grounds are the home of Northern Hearts Football Association and are located at the hub of sports in Timaru within an established housing area.

To locate the grounds from State highway 1, turn onto Wai-iti road at the bay hill and follow until you reach a round about. Turn right at this intersection and follow for 3-4 hundred meters. Turn right onto Morgans road and 400 on the left is Aorangi Park.

If you have any concern about these facilities please inform Matt Chambers in the first instance and then the Timaru District Council.

We hope you have a pleasant stay and enjoy your football whilst you are here
